

A photograph of a turtle, likely a Galapagos tortoise, resting on a light-colored, textured concrete surface. The turtle's shell is a mix of light brown and tan colors, with distinct dark brown or black spots on the scutes. A person's hand is visible at the bottom of the frame, supporting the turtle. The turtle's head is slightly extended to the right.

Tier	Schildkröte (Männliche)	Grösse	20cm
Gewicht	1.3kg		
Farbe	Braun / Schwarz
